

Disclosure / Hire Agreement For BBC Generators
**THIS MUST BE SIGNED AND AGREED BY THE
HIRER BEFORE HIRE**

For your information, safety and convenience please read the following:

Turning The Generator On And Off:

To start the generator;

- run the generator for at least 10 minutes before using to power equipment.
- after you have finished again leave the generator to run for 10 minutes with no equipment loaded before shutting down.
- **Only stop the generators by the emergency stop in the case of an emergency as this can blow voltage regulators and damage the engine components.**

Overload:

Do not overload the generator as this can result in damage to the unit. If you are unsure please contact us to provide assistance. The generator is fitted with a circuit breaker which will trips if the load being drawn from the generator is too much. The load should be reduced before switching back on please contact us for assistance if required) If the generator continues to trip after reducing the load you may have connected a faulty piece of equipment. Please contact us for assistance if this happens.

Insurance And Loss:

The generator is your sole responsibility during the period of hire and the generators and other equipment must be returned in original condition prior to hire. If the generator is damaged, lost or stolen it is your responsibility to pay for the cost of the replacement or repair. We therefore recommend you take out 'Plant Insurance' and please contact us if you need further assistance with this or have any queries.

Breakdown Of The Generator:

We **do not** accept responsibility for any loss or damage including loss of earnings or be held liable in any way for any breakdown(s) of the generators. As set out above If a breakdown is due to user neglect we reserve the right to charge for the cost of any repair.

Use Of The Generator:

No fires, No smoking or using/lighting Barbeques near the generator(s).

Generators are intended for outdoor use in well ventilated areas only!

NEVER USE INDOORS

In the event of rain it is strongly recommended that the generator is switched off When being used for long periods generators should be shut down before being refilled, at this time the oil level should also be checked. **OUR GENERATORS ARE DIESEL ONLY!**

If an oil top up is required please call us at BBC on: (Office: 01702 680112 or Mobile: 07590637233).
